**COMMENTS ON REASONS FOR ALLOWANCE AND SUBMISSION OF MISSING
REFERENCES**

Sir:

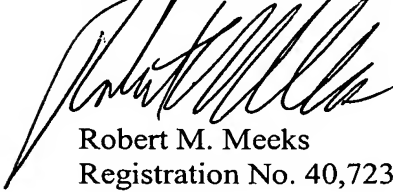

This paper is responsive to the Notice of Allowance mailed December 9, 2005. Applicants note that the Examiner's statement of reasons for allowance generally accurately tracks the recitations of Claim 1. Applicants understand that the Examiner has provided generalized comments based on Claim 1 but that each independent claim is patentable in light of the respective recitations contained in those claims. Applicants further note that the proposed Examiner's amendment to cancel Claims 19-36 is unnecessary, as these claims were canceled by Applicants' Amendment filed July 8, 2005.

In response to the Examiner's request for copies of missing references in the above-referenced application, Applicant submits herewith copies of references previously submitted in an Information Disclosure Statement filed June 10, 2005. Copies of Korean Publication Nos. 2003-29203 and 2002-96809 and the Notice to File a Response/Amendment for Korean Application No. 2003-34500 are enclosed. Applicants request consideration of the Information Disclosure Statement of June 10, 2005, and return of an initialed form PTO-1449 indicating consideration of the Information Disclosure Statement.

It is not believed that a fee is due for the present paper; however the Commissioner is authorized to charge Deposit Account No. 50-0220 in the event that a fee is necessary to allow consideration of this paper.
